

CK COUNCIL DIRECTIONS 2014-2018

JOBS

Everyone in Chatham-Kent who wants to work is able to work in meaningful employment

PEOPLE

Chatham-Kent is a welcoming community where people choose to live, learn, work, and play

HEALTH

Chatham-Kent is a healthy, active, safe, accessible community within a healthy natural and built environment

No single organization, however innovative or influential, can accomplish large scale social change - it takes the entire community. We need to focus on CK as a collective, and commit to a common agenda for solving specific challenges and put in place the right supports to align activities.

Choose 1, 2, or 3:

1 JOBS EXAMPLES

Labour Force; Occupations; Income; Family Income; Job Security; Unemployment / Employment; Entrepreneurship; Jobs; Education; Poverty; Business /Employment supports – internal or external focus; Land-use planning; Other

1 = Service / program that supports a prosperous community
