BACKGROUND:

-BRIEFLY provide why this is a request
(eg. Based on 3 year history)

A budget request is being made based on the projected increase to the 2017 Host Community Fee from the Ridge Landfill estimated at \$2.3 Million. The current base budget is \$1,766,311 and we are recommending that the revenue amount noted above be used one time to offset municipal costs.

COMMENT:

- provide any further details if required, impact to user fees, etc
(eg. Gross expenses, any revenues, subsidies, etc.)

According to the Host Community Agreement (HCA), Chatham-Kent receives an annual royalty payment (host community fee) on a per metric tonne basis for all non-municipal refuse delivered to the Ridge Landfill. The increase in 2017 is based on the landfill's performance and actual volume of private sector waste received.

The one time increase will be used to offset municipal costs. The balance of royalty payments from the HCA flows directly into the Corporate Community Investment Fund (CIF).
